

# *Stevens Point Christian Academy* *Tuition Assistance*

SPCA's tuition assistance program is designed to help students and families with expenses associated with attending SPCA.

Tuition Assistance applications are available from the SPCA Administrative office and must be completed and submitted by July 1 prior to the school year that assistance is requested.

The Financial Assistance Board reviews all **completed** applications.

Those families who were awarded assistance will be notified by mail.

Eligibility for assistance will depend on several factors, including: financial need, church and ministry involvement, and obedience in tithing.

Payment is made monthly and not in a lump sum. Payment will not be made to delinquent accounts.

Tuition Assistance applications are available from June 1 to July 1 for the following academic year. Applications are due on July 1 each year. After that time, applications are closed and parents are not able to apply for financial assistance until the following academic year. Exceptions will be made in emergency situations only.
